Reading Enrichment

Read to Learn

Not Just Reading!

Comprehension and Test-taking skills

Does your first grader love reading?

Students are invited to spend Friday afternoons reading aloud and discussing what they read. They will begin to learn how to take Accelerated Reader tests to practice comprehension skills.

The students will learn test-taking skills and gain confidence reading aloud both with the teacher and in small groups. Each student will bring their own book or they can obtain appropriate reading level books from school.

The students will meet in Mrs. Domzalski´s classroom each Friday immediately after school. The fee for each Friday is $25. All students should be picked up by the gym doors at 4:15. If interested, please complete the form below and return to Mrs. Domzalski or Mrs. Walsh..

Thank you, Mrs. Domzalski and Mrs. Walsh
